Randall Dobbins

For over 30 years, Randall Dobbins has been a noteworthy leader in the MBE development space. MBE's are Minority Business Owners-MBE, Veteran Business. You may know him from his work as the Founder of the Business Partner Blueprint and President of Dobbins International, Inc., a small/minority owned business but Randall can also be credited with contributions to corporate supply chain excellence, business development and large account sales management.

Randall is a #1 bestselling author and has been honored with Outstanding Achievement for his contributions to corporate supply chain strategy, strategic selling, and MBE "contract-ready" preparation, capacity building and development. He holds a Bachelor of Science degree in Economics from the University of Houston and currently resides in Austin, TX.
