## Kevin W. Williams

### President and CEO

### GAA Manufacturing and Supply Chain Management

#### Kevin W. Williams

Kevin W. Williams was appointed President and CEO of Global Automotive Alliance Manufacturing and Supply Chain Management in September 2019. In this role, Williams is a Corporate Board Member and leads all operations of the company. Prior to this role, Williams was most recently Chairman, President and Managing Director of General Motors (GM) of Canada Ltd., Williams was responsible for leading all General Motors operations in Canada, with revenues of \$18.7B. Prior to this role, Williams had served as GM Vice President and General Manager, Service and Parts Operations, where he oversaw all GM Global Aftersales businesses, with Global revenues of \$14.2B annually, and served as Chairman and Global Process Leader for the GM Automotive Aftermarket Strategy Board.

Williams held global senior roles at GM. He served as Chairman, President and Managing Director of GM de Mexico; GM North America Vice President of Quality; Global Executive Dir., Supplier Quality, Development and Supplier Diversity, for Worldwide Purchasing and held that same position for GM Europe based in Russelsheim, Germany, with responsibilities spanning 22 countries and 2,700 employees.

Williams began his GM career in 1983 as a reliability analyst at Buick Motor's division in Flint, Michigan. In 1989, he became the General Supervisor of Production at the Lansing Craft Centre in Lansing, MI; and, in 1991 was appointed Program Readiness Manager for GM's first electric vehicle program (EV1).

Williams has been married for 30+ years to Arlene Pope Williams and resides in Nashville, TN. They have two daughters, Alisa Williams, a graduate of Yale University, and Kaylyn Williams a recent graduate of Yale University, achieving a master's degree in political science, with a concentration in urban and health policy.
